

About Angie

Angie Brown, CMC, CMIS, CMOM,
CPC, CPC-I, CPC-H, CPMA, CRCR,
CRCA, CMA, OMA

Angie Brown, Director of CE Healthcare at Florence-Darlington Technical College has been in the medical and adult education field more than 20 years. She has extensive experience in reimbursement and revenue. Her knowledge covers coding, insurance, management and is adept at government rules and guidelines. She serves as a consultant for financial assessments. She has been teaching PMI's curriculum for 12 years and has certified over 500 students. Angie was the first PMI associate instructor and has been recognized nationally for her accomplishments. She was named Administrator/Manager Educator of the Year 2013-2014 by the South Carolina Technical Education Association.
