

About Lynn

Lynn Robinson, CMC, CMOM

Lynn has been in the health care field for 30 years with experience in medical practice administration, finance, human resources and pharmacy. Lynn is currently the Physician Relations Manager with the Medical Society of Delaware. Prior to that, she served as the Director of Administrative Services for Delaware Sleep Disorder Centers, overseeing operations for accounting, scheduling, human resources and billing and worked for Delaware's largest hospital, Christiana Care Health Services, where she managed four physician timeshare offices. She is past President of the Delaware Medical Group Management Association and served on their Board of Directors. Lynn enjoys family, music, golf and the beach.
