

About Rose

Rose B. Moore, CMC, CMIS,
CMOM, CMCO, CCP, PCS, CEC,
CERT, CMA-ophth

Rose has been in the medical field since 1976 where she has worked through the trenches in all aspects of a medical practice.

She has worked with PMI for more than a decade while she was the Physician Practice Advocate at the Medical Society of Virginia. During that time, she consulted with physicians on health care reimbursement and the importance of correct documentation and coding.

Now a part of PMI's Faculty team, Rose's expertise and love for teaching is reflected in the seminars and workshops on coding, financial management and practice management throughout the country.

In addition to her talents as an instructor, Rose also serves as President and CEO of her own consulting firm, Medical Consultant Concepts, LLC.
