

About Brooke

Brooke Weaver, CMOM, FAAPPM

Brooke has been a Practice Administrator for over 12 years for a podiatry practice in Wichita, KS. In addition to working as a practice administrator she is also an EHR and Technical Solutions Consultant for a Medical Software Company.

Brooke has lectured nationally to physicians, administrators and staff regarding practice management as well as other various topics.

As a Fellow of the AAPPM, Brooke created and chaired the Executive Managers Group until 2015 and held several positions on multiple committees. She studied Business Administration at Ohio University and became a Certified Medical Office Manager in 2012.
