

Gina Niedermaier has been the Business Manager for the Northeast Surgical Group for the last nine years. Her many responsibilities include Billing Manager, Credentialing and Accounts Payables. Gina loves what she does and enjoys the daily challenge. Starting in the medical field in 1987 by billing for a chiropractic office, her passion for the medical field grew. Physical therapy billing and some ambulatory has always been part of her portfolio. Gina is very excited to be able to teach others from her experience over the last 22 years.
