

## About Jenny

Jenny Pauley, CMC, CMOM

Jenny entered the medical field almost 25 years ago as a billing clerk. Since then, she has worked in all aspects of a medical office from the front to the back. She has experience in medical practice management, reimbursement, coding, accounts receivable, daily financials and scheduling. She established a General Surgery practice and has worked in Family Practice and various other specialties.

Currently, Jenny works as the Billing Director for Medisys Practice Solutions. Her passion is educating staff to become dynamic employees in their medical practices.
