

## About Lesley

Lesley S. Wagner, CMC, CMIS,  
CMOM, CPC, CPC-I, CPB

Lesley delivers more than 15 years of successful experience in the healthcare industry. As the Practice Advocacy Manager for the Medical Society of Virginia, she devotes her efforts and skills toward changing practice paradigms, shaping new market approaches and driving meaningful training for the next generation of medical practice staff in today's ever-evolving landscape. With in-practice experience in her background, she is valued for her insightful knowledge, coupled with patience and professionalism in providing the most relevant and necessary curriculum to practices across the Commonwealth of Virginia.

Her professional certification designations - CMC, CMIS, and CMOM - are a result of intense study and mastery of programs from Practice Management Institute. Additionally, she holds certifications from the American Academy of Professional Coders (AAPC). She is a sought after instructor and advisor for programs and service training including Professional Medical Coding Curriculum, ICD-10 Coding, collections, auditing and documentation.
