

About Margaret

Margaret Pruszka, MBA, CMC

Margaret has more than 20 years of experience in medical and academic practices working in various positions including Medical Administrative Specialist, Reimbursement Manager, and Practice Administrator.

She earned a master's degree in Health Care Administration from Concordia University, Mequon, Wisconsin. She teaches full-time in the Medical Administrative Specialist program at Milwaukee Area Technical College and also holds a part-time position at the Medical College of Wisconsin as a Practice Service Liaison, which enables her to maintain currency in the ever-changing billing, coding, and reimbursement environment.
