

Improving the business of medicine through education

Nancy Escobar, CMC

Nancy Escobar is a Certified Medical Coder with over 20 years of healthcare experience.

She has worked in a number of roles within the practice, including the front office, as a biller, coder, and ultimately in an administrative role. Nancy has vast experience in specialty coding, including obstetrics and gynecology, family practice, internal medicine and pediatrics. She acquired her passion for teaching at a local college, and, in addition to her full-time job at a busy El Paso practice, she represents PMI regionally as a popular Associate Instructor and consultant.

Nancy started a flagship PMI Network in the El Paso area, and is widely know and respected for her role in bringing her community together for the purposes of education, networking, and free-flow of ideas. In addition, Nancy regularly assists her peers by acting as an advocate for local talent toward potential employment.
