

About Sunjanel

Sunjanel AVECILLA, EMT-P, CPC,
CMC, CMOM

Sunjanel AVECILLA is a faculty member for Practice Management Institute with more than 12 years of working experience in the healthcare industry. In addition to obtaining her training and license as a paramedic and nurse in the U.S. Army, she holds certifications in practice management and physicians practice coding.

Her wide range of experience includes Management of the Division of Laboratory Medicine at MD Anderson Cancer Center, followed by administrative and clinical practice in family medicine, cardiology and general surgery.

Sunjanel has experience teaching coding, medical record auditing and reimbursement, OSHA, OIG, and HIPAA compliance. She is adept at government rules and regulations, and personnel management.

Additionally, her experience within the arena of medical practice management education makes her a much sought after medical management consultant throughout the country. She also holds two PMI certifications as well as memberships in the GA-MGMA and AAPC.
