

About Sanya

Sanya Belcher, CMC, CMIS, CMOM,
CPC, ICD-10 Trainer,
Risk Adjustment Coder

Sanya joins Practice Management Institute as an Associate Instructor bringing with her more than 12 years of multi-specialty experience. She is very knowledgeable in most medical specialties including Rheumatology, Infusion, Gastroenterology, Neurology, Dermatology, Radiology, Laboratory, Pulmonology and Geriatrics. She has been the Billing and Coding Coordinator for a large physician practice that also includes Internal Medicine for more than 10 years.

Sanya has served as an Associate Instructor for the University of North Texas/Professional Development Institute for the past five years. She holds certifications with both PMI and AAPC and is a certified ICD-10 trainer. She is currently training in Risk Adjustment and looks forward to the challenges ahead.
