

## About Lisa

Lisa Maciejewski-West  
CMC, CMIS, CMOM, MCS-P

Lisa has been involved in the medical billing, management and consulting field since 1982. In 2006, she founded Gold Star Medical Business Services, an award winning company that provides remote billing services for physicians in small to medium sized individual and group practices. Prior to starting Gold Star Medical, she worked for one of the largest Practice Management consulting firms in the country.

For 10 years, she has consulted with hundreds of doctors as a practice management coach, and spoken at over 100 seminars throughout the United States, both as a teacher and motivational speaker. Lisa also provides comprehensive practice management consulting, credentialing and compliance auditing services.

Lisa holds three PMI certifications and is a board certified MCS-P (Medical Compliance Specialist -Physician). She is PMI's Director of Business Development for the West Central Texas region. She is also an adjunct instructor with the Angelo State University Small Business Development Center, and teaches a variety of business classes to new and prospective business owners.
